DEPARTMENT OF THE ARMY

HEADQUARTERS, 902D MILITARY INTELLIGENCE GROUP  
FORT GEORGE G. MEADE, MARYLAND 20755

IAGPA-OPO

15 May 1978

SUBJECT: Paraphysics R & D- Warsaw Pact (U)

Headquarters  
Foreign Technology Division  
ATTN: XOFP  
Wright-Patterson AFB, Ohio 45433

1. (C) DIA has been requested to present a briefing to the Commander and selected staff officers of this organization at 0900 hours 6 June 1978 in the INSCOM SSO conference room, Ft Meade, MD, concerning Soviet parapsychology research and the intelligence applications of parapsychology which the Soviets may exploit.
2. (U) Request that Mr. Dale Graff of your organization be made available to assist DIA in their presentation by conducting an informal discussion/briefing on your most recent publication, subject as above.
3. (C) The 902d MI Group is tasked to provide Operations Security (OPSEC) support in CONUS to echelons above corps. In the accomplishment of this mission it is necessary for us to assess all hostile intelligence collection threats targeted against the US. Your assistance in providing information concerning the intelligence applications of Soviet parapsychology is necessary to insure our comprehensive assessment of the hostile intelligence collection threat.

SG1J

4. (U) POC at DIA is [REDACTED] of DTIA.
